Table 3: Action Taken based on Table 1 and Table 2

Sl. No.	Feedback parameters	Action Taken
1	Is it needed to add any content on curriculum?	It is found that, 35% faculties want to add new contents in the existing curriculum. Rest of the faculties does not want any changes in the curriculum. The 35% faculties want to add Big Data & Data science in existing curriculum based on industry requirements. This was discussed and approved by BOS members in the BOS meeting held on 03.06.2020 and accordingly this is introduced in value added course as BCT in coming semester for strengthening employability and technical skills of the AEIE students
2	If yes specify the content	
3	Is it needed to delete any content on curriculum?	100% faculty members do not want to delete any course from the curriculum, So, no action is taken.
4	If yes specify the content	
5	The present curriculum is aligned with departmental mission.	Based on Faculty feedback, "Strongly agreed" rating has been received in all 11 given parameters with an average score of more than 3 in a scale of 4. Therefore, no action is required.
6	Employability is given importance in curriculum design and development.	
7	The curriculum developed to prepare students for competitive exams like GATE
