YEARLY STATUS REPORT - 2021-2022

Part A	
Data of the Institution	
1.Name of the Institution	Guru Nanak Institute of Technology
• Name of the Head of the institution	Prof. (Dr.) Santanu Kumar Sen
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone No. of the Principal	9432012683
• Alternate phone No.	9830751850
• Mobile No. (Principal)	9432012683
• Registered e-mail ID (Principal)	principal_gnit@jisgroup.org
• Address	GURU NANAK INSTITUTE OF TECHNOLOGY, 157/F, Nilgunj Road, Panihati
• City/Town	Kolkata
• State/UT	West Bengal
• Pin Code	700114
2.Institutional status	
• Autonomous Status (Provide the date of conferment of Autonomy)	29/02/2016
• Type of Institution	Co-education
• Location	Urban

• Financial Status	**Self-financing**
• Name of the IQAC Co-ordinator/Director	**Dr. Sunipa Roy**
• Phone No.	**03325233900**
• Mobile No:	**+919830751850**
• IQAC e-mail ID	**iqac@gnit.ac.in**
3.Website address (Web link of the AQAR (Previous Academic Year)	https://gnit.ac.in/wp-content/uploads/2022/02/AQAR-20-21.pdf
4.Was the Academic Calendar prepared for that year?	**Yes**
• if yes, whether it is uploaded in the Institutional website Web link:	https://gnit.ac.in/academic-calendar/

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 2	**A+**	**3.32**	**2022**	**22/11/2022**	**16/11/2027**

6.Date of Establishment of IQAC	**28/02/2014**

7.Provide the list of Special Status conferred by Central and/or State Government on the Institution/Department/Faculty/School (UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC, etc.)?

Institution/ Department/Faculty/School	Scheme	Funding Agency	Year of Award with Duration	Amount
Food Technology Department (FT)	Extension of NBA Accreditation for BTech in Food Technology	NBA, India	11/08/2021	0
MOE-IIC Section of Guru Nanak Institute of Technology	IIC Regional meet	MoE, India	29/07/2022	280000
Guru Nanak Institute of Technology	Mentor Institute	MoE, India	08/09/2021	0
Guru Nanak Institute of Technology	National Institute for Empowerment of Person with Visual Disabilities (NIEPVD)	Govt. of India	03/03/2022	500
Guru Nanak Institute of Technology	E-SodhSindhu/ N-List	INFLIBNET	17/05/2021	5900
Guru Nanak Institute of Technology	NDLI	Govt. of India	01/07/2021	0

8.Provide details regarding the composition of the IQAC:

• Upload the latest notification regarding the composition of the IQAC by the HEI	View File

9.No. of IQAC meetings held during the year	**3**
• Were the minutes of IQAC meeting(s) and compliance to the decisions taken	**Yes**

uploaded on the institutional website?		
• If No, please upload the minutes of the meeting(s) and Action Taken Report	No File Uploaded	

10.Did IQAC receive funding from any funding agency to support its activities during the year?	**No**
• If yes, mention the amount	

11.Significant contributions made by IQAC during the current year (maximum five bullets)

1. The Internal Quality Assurance Cell of the college has been continuously developing a system to enhance the academic and administrative performance of the institution and to uphold strategies for quality augmentation and Maintenance. 2. Expansion of Smart Classroom Facility and WiFi connectivity with high-speed bandwidth. Upgrading the Library Facility via professional collaborations and quality subscriptions. 3.Incorporation of Online Attendance, Routine, Online Courseware and up-gradation of the examination system, Online Answer Script Checking, etc. 4. Encouragement to obtain research funding, application for patents, publication in SCI/SCOPUS indexed journals. 5.IQAC in collaboration with IIC cell organized several entrepreneurship development programs to motivate students to build their own start-ups.

12.Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:

Plan of Action	Achievements/Outcomes
Analysis of the feedback from stakeholder	Feedback was collected from the different stakeholders and analysis had been done and action had been taken against those.
Result analysis	Result analysis of odd and even semesters have been done and it was compared with the previous semesters and that was placed in the meeting of IQAC cell. The gap analysis has been done and departments were requested to

	take necessary actions.
Curricular Planning and Implementation	Beyond curriculum Training (BCT) has been organized to increase the employability of the students. Event and Academic Calendars were prepared for smooth conduction of the academic and extra curricular activities.
Review of R & D Activities	Students along with faculty members took initiative to publish research papers in journals of repute, renowned conferences, and workshops. They also published patents and got several R & D grants from government as well as nongovernmental organizations.
Analysis of Students Satisfaction Survey (SSS) 2020-2021	Questionaries as prescribed by NAAC were given to the students and feedbacks were collected, analyzed, and reviewed by the external experts.
Review of AQAR prior to submission of NAAC	Meetings were conducted in presence of the Principal, several departmental HoDs, and external experts to review the status of the AQAR before submission.

13.Was the AQAR placed before the statutory body?	**Yes**

- Name of the statutory body

Name of the statutory body	Date of meeting(s)
Academic Council	12/12/2022

14.Was the institutional data submitted to AISHE ?	**Yes**

- Year

Year	Date of Submission
2022	18/01/2023

15.Multidisciplinary / interdisciplinary

The institute understands the vision of the National Education Policy, which is to deliver high-quality education in order to develop human resources in our country as global citizens. Faculty members discussed the core principles of NEP, such as variety in all curricula and pedagogy, technology advancements in teaching and learning, supporting logical decision making and innovation, critical thinking, and creativity. In response to the NEP, the university has established new interdisciplinary centers that bring together many departments in addition to the current inter/multidisciplinary research and academics. Multidisciplinary/Interdisciplinary courses are being offered as electives in academic programs. All programs are designed to give students the most freedom in selecting elective courses from different departments, such as computer vision and cloud computing, robotics, hardware monitoring etc. It can be said that the Institute is proactively working towards the implementation of NEP.

16.Academic bank of credits (ABC):

GNIT will formally register in the ABC portal as soon as the order released from the affiliating University.

17.Skill development:

AICTE has introduced a Skill Development (SD) Cell to train youth by providing them skills through AICTE approved Colleges with objective for enhancing their Employment/Self-Employment opportunities. GNIT is one of the institute to implement this concept to implement its own skill development strategy. In support of "Start-Up Policy for Technical Institutions", institute has started the start-up initiatives and good numbers of students and faculty members are engaged with start-up activity. GNIT Super 30 – The Entrepreneurs' Elite Club has been developed mainly to create and nurture the Entrepreneurship talents in some potential students and create an eco system for entrepreneurial engagements thereby up-scaling and up-skilling the GNIT-ians. The main focus of this GNIT Super 30 concept is to empower individuals with the entrepreneurial skills. GNIT Super 30 aspires to support business ideas and innovators as

they develop, launch, and commercialize their top-skill and motivate the students to bring out their latent spirit of Entrepreneurship. MoU has been signed with the agency enlisted under start-up India and many more are in order. Aptitude and Soft skill trainings are conducted from Training and Placement cell in support of employability enhancement. The institute implemented a policy of Beyond Curriculum training realizing the importance and the necessity for developing skills among students, and creating work ready manpower on large scale. This newly adopted curriculum and the training imparted will help the program aspirants to get fully trained in accordance with the SD Cell. GNIT aims at providing quality education combining class room centered formal education and training with experience sharing of Industry practitioners and internships in business houses. The focus is towards integrated knowledge acquisition and upgrading human skill towards creating a new league of employable youth. Teaching and training methodology of courses offered under GNIT are designed accordingly as per the requirements of Industry 4.0 by introducing Intellectual property right and Entrepreneurship and Innovation skill.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

GNIT encourages learning of Indian knowledge system by incorporating the mandatory courses like "Essence of Indian knowledge tradition" and "Constitution of India" in the curriculum. Programs including webinars and seminars are also offered to enhance the traditional knowledge of stakeholders and to understand the cultural values. Further, Values &Ethics in curriculum B.Tech, teaches cultural values in Indian tradition so an engineering student can imbibe value orientation while in job.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

GNIT is focused on outcome based education. All its programs are offered as outcomes-based education (OBE) which are designed keeping in mind the regional and global requirements. GNIT has implemented outcome-based education with clearly stated Program Outcomes, course outcomes and Program Specific Outcomes. All courses are designed in support with Bloom's Taxonomy by incorporating different levels like remember, understand, apply, analyze, evaluate and create. Apart from the domainspecific skills, learning outcomes at all levels confirm social awareness and ethics, as well as entrepreneurial skills so that student contribute proactively to economic, environmental and social happiness of the nation. The Program Educational Objectives (PEO) are in alignment with Vision and Mission of the institute. Course Objectives (COs) are also aligned

to the PO-PSO philosophy. All course syllabus has been designed with due consideration towards 'More holistic and Multidisciplinary Education' to apply the spirit of NEP.

20.Distance education/online education:

As a result of the COVID-19 pandemic, educational institutions across the country are increasingly relying on digital platform to engage students, organize conferences, and hold meetings. Leaving aside the disadvantages of lack of face-to-face learning, online education has broken down geographical barriers, allowing professionals and students from different parts of the world to engage. The liberalization of the economy, including that of educational institutions, has prepared the door for the adoption of a hybrid method of instruction using a learning management system (LMS) that combines online and offline resources. This can be thought of as the new normal, which is also envisioned in the New Education Policy. Access to online resources for instructors and students will no longer be a constraint, thanks to the experience learned during Covid-19's closing period.

Part B

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

After receiving autonomous status from the academic session 2016-17, Guru Nanak Institute of Technology (GNIT) has continuously aimed to design the curriculum and syllabus for the undergraduate and postgraduate programs in compliance with the guidelines of regulatory bodies and affiliating university, considering all stakeholders' feedback on the existing curriculum.

The key components for planning and developing the curriculum and syllabus are:

• Stakeholder's feedback and corresponding analysis report to identify the current needs

• Curriculum of different Pioneer institutes of regional, national, and international repute

• Suggestions from different academic and industry experts

• Modern emerging trends on technological enrichment

• Environmental and societal challenges

The process of development and regular revision of the curriculum and syllabus goes through several committees such as Departmental Academic Committee (DAC), Board of Studies (BoS), Academic Council (AC), and finally the Board of Governors (BOG).

The curriculum incorporates courses of various types with focus on the issues related to Employability, Environment, Sustainability, Gender Equality, Skill Development, and Entrepreneurship in alignment with the various policies of State and Central Government as well as international bodies.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

GNIT keenly emphasizes on the holistic development of the students and thereof focuses on important areas such as Professional Ethics and Human Values, Gender Equality, Environment and Sustainability.

The courses that address Professional Ethics and Human Values:

Keeping focus on Professional Ethics and Human Values, the curriculum and syllabus has been framed to incorporate relevant courses to skill the student towards self and moral development, comprehend the effects of technological growth and educate the ethics and human values in organization.

The courses that address Gender:

The curriculum includes appropriate courses to raise consciousness in psychological, social, and economic issues, such as women development and gender parity in institution. The courses aim to create awareness through activities linked with Women's Cell of the institute.

The courses that address Environment and Sustainability:

Institute integrates several courses addressing Environment and Sustainability in the curriculum to create consciousness towards the natural environment and its correlation with human behavior. The objective of the courses is to realize the necessity of preserving the natural resources and prevent its depletion by moving towards renewable and non-conventional energy sources.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The students admitted into this institution are from diverse social, economic, cultural and vernacular backgrounds, with different levels of knowledge and skills; hence their learning process gets varied based on the aforementioned distinctness. Students are our primary stakeholders and they are taken care with mentoring, counselling and providing ample opportunity to upgrade themselves to exhibit talent during their course tenure at the Institute and excel in their future life.

Mentoring and counselling helps towards overall development of students. The Departmental Academic Committee meet at least once a month to discuss academic matters including the challenges faced by the student and academic growth of the students and accordingly decisions are taken.

As soon as students are admitted in a course, a diagnostic test is conducted to assess the learning levels of the fresh undergraduate students. After this test, the result is analyzed and initial category of the slow learners and advanced learners are identified. Based on their proficiency and competency levels the students are given different the form assistances for a reasonable growth ahead. Apart from diagnostic tests, students are also identified as slow-learners and advanced learners through Unit Tests from 2nd year onwards for appropriate guidance and assistance.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The institute offers a constructive platform for students to sharpen their skills and knowledge and enhance moral values to mould their career and attitude towards right direction. Each department of the institute organizes technical fest apart from the institutional technical fest to showcase their technical potentiality through real-life models in the form of innovative projects. The institute also organizes cultural fest every year where students showcase their cultural diversity and talents. Students are always encouraged to take part in state level, national level as well as international level of events and competitions.

The institute uses several student-centric methods for enhancing learning skills and abilities of students. Active involvements and efforts of faculty members ensure the effectiveness of the activities through adoption of the following student-centric methods.

1. Experiential Learning:.

- Peer Assisted learning
- Virtual lab
- Workshop
- Activity based learning
- Technical report writing
- Industry visit
- Demonstration by students

2. Participatory Learning:

- Seminar by students

- **Blended learning**
- **Group discussion**
- **Technical presentation**

3. Problem-solving methods:

- **Open book exam**
- **Simulation techniques**
- **Case study**
- **Prototype modeling and display**
- **Project based learning**

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

To implement the effective teaching learning process, Guru Nanak Institute of Technology (GNIT) uses all possible avenues of ICT techniques and tools and online resources. GNIT has its own Online Learning Management System (LMS) where students can get variety of resources like video lectures of his/her own class teachers as a repository. Students also can access courser courses as GNIT has signed MOU with Coursera for value added courses. The teachers use the ICT enabled classes to enhance the quality of teaching-learning process. Apart from our own LMS, the teachers also use the our own procured and dedicated MyPerfectice online teaching platform and Whiteboard facility to conduct online classes, upload the course materials, technical presentations, learning materials, assignments etc in the LMS portal. They can also make some announcement prior to the next class through this portal.

With all ICT tools apart from regular teaching learning process Mentors can effectively monitor and guide the students to prepare them industry ready by conducting regular online tests through MyPerfectice platform. This continuous evaluation and teaching-learning process helps teachers to find out the particular learning needs of the students, their strength and weakness and identify the slow learners and advanced learners.

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

Guru Nanak Institute of Technology (GNIT) devotedly follows systematic approaches so as to strictly follow to the well-organized academic calendar by strict adherence to the teaching plans developed by each individual teacher keeping into consideration of the prior distributed academic calendar to all. GNIT is keenly focused to the holistic development of the students. The well-organized teaching process helps the students to grow completely. The faculty members conduct the classes through participation, experiential and problem solving process throughout the semester that enables the students to get well involved and helps to learn to learn the subject effectively.

The Academic Calendar is developed bi-annually and much before the commencement of the new semester classes. The calendar gets reviewed after every 3 months for any relevant post date edition. The calendar consists of academic and non-academic activities which consists of the teaching days, holidays, important national days, mandatory seminar/conference/workshop dates, Internal Test (both Unit Test -I and Unit Test -II) dates, Question paper submission date, answer script evaluation deadline date, semester examination date and alike which are relevant to the students and

`as well as all staff members.`

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

The entire evaluation work is done through an online examination management system and is completed within time.

Attendance approval:

Attendance approval by HOD is done after Accounts approval for fees clearance.

Student Online Examination Form Fill up process

Approved students can fill and submit the form and pay requisite examination fees online and can download the admit card from examination portal using their credential.

Marks Entry, Online Answer Sheet Evaluation and Result Publication process:

Internal marks entry is done using HOD credential reports are generated using COE login.

Evaluation is carried out using DVS system through separate login IDs for each Examiner with annotations. 10% of the answer script are randomly selected by the DVS and mapped to head examiners. Re-evaluation is carried out by the head examiners using DVS through HE login IDs.

Positive Impact of IT Integration:

1. **Continuous Internal Assessment (CIA) system ensures transparency and integrity.**
2. **Complete automation of examination helps in the successful execution of entire examination process on time.**
3. **This system helps students to prepare consistently and outshine not only CIA but also in semester examinations.**
4. **The assessment process gives enough scope to improve student's performance.**

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The Institute switched over to Outcome Based Education (OBE) in 2016 to impart education through student centric approach, to increase the students' employability and follow outcome-oriented teaching learning process. Programme Outcomes (POs), Programme Specific Outcomes (PSOs), Course Outcomes (COs) as well as Program Educational Objective (PEO) has been formulated for all the UG and PG programs. All the COs of all courses of the curriculum are defined clearly with the CO-PO mapping to indicate its importance and included in the syllabus. All the Programme Outcomes and

Course Outcomes for all Programmes offered by the institution are shared to all the stakeholders in the form of different activities and displaying on the institutional website. These got communicated time to time to all teachers and students in a well-defined way through seminar/workshop and placing display boards in important locations and laboratories of the respective departments.

Display Media:

All Laboratories, Departmental Corridors, faculty room, classroom and department library

- ○ Print media:

- printed and displayed on each laboratory manuals
- In every course file

Electronic Media: www.gnit.ac.in

- ○ Communication Media: Departmental Academic Committee meeting Orientation Program, Induction Program, Alumni meet, different Meetings, Mentor's Meet etc.

File Description	Documents
Upload COs for all courses (exemplars from the Glossary)	[View File](#)
Upload any additional information	[View File](#)
Link for additional Information	https://gnit.ac.in/upload/gnit-naac/criteria-2/2.6.1_supporting_document.pdf

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

At Guru Nanak Institute of Technology, all the departments have prepared the curriculum by considering the POs and PSOs of the corresponding program to certify mapping of all COs, POs and the PSOs of the curriculum.

CO Assessment Processes:

?Continuous Internal Assessment tests

?Semester End Examinations

All the COs are mapped in the end semester questionnaires, Mid-semester Assessments (Unit Tests), Assignments and Quizzes.

PO and PSO are carried out through Direct method and Indirect method.

Measuring CO attainment through Cumulative Internal Examinations (CIE)

Attainment Level of courses is set as below by the program:

CO-Attainment Level -Target level 1: 60% students obtaining 60% and above

CO-Attainment Level -Target level2: 70% students obtaining 60% and above

CO-Attainment Level -Target level 3: 80% students obtaining 60% and above

Overall CO attainment=50% credit from CIE + 50% credit from SEE.

Overall PO/PSO attainment = (80% of Direct Attainment) + (20% of Indirect Attainment)

Direct Attainmentis measured through -

- Semester End Examination (SEE)
- Cumulative Internal Examinations (CIE)

Indirect Attainmentis measured through various surveys as follows:

- Alumni survey
- Program Exit (final year students) Survey
- Employer Survey
- Faculty Survey
- Parent Survey

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

The prime objective of Research & Development (R&D) committee of Guru Nanak Institute of Technology(GNIT) is to nurture and upgrade the research potential of the students and faculty members of the GNIT for brighter and prospective careers. R&D committee has strengthened the research activities by incorporating a well-developed Research Policy in 2016, approved by the Board of Governors (BOG) dated 12.07.2016, with subsequent amendments in

the year 2017, 2018, 2019 and 2021.

GNIT provides ample research facilities in terms of infrastructure, financial assistance, awards, appreciation, interdisciplinary research scopes, collaborative research facilities with outside world and upgraded laboratory facilities to promote and inculcate research culture. The R&D policy is focused on regular updation of Research Directory and internal research facilities to promote research activities.

The updated Research Policy of the Institute is made readily available on the Institutional website, https://gnit.ac.in/upload/gnit-naac/criteria-3/3.1.1_Policy_document_on_promotion_of_research.pdf.

Apart from the R&D committee there exists two more R&D support committees viz. Research Advisory Committee and Research Ethics Committee which organize periodical meetings. The Research Advisory Committee mainly focuses on new developments, emerging areas of research and ongoing funded projects for faculty and students. The Research Ethics Committee deals with the assessments of proposals and respect to ethical standards.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

Guru Nanak Institute of Technology (GNIT) has established

dedicated centers for research, entrepreneurship, community orientation, Incubation to inculcate the values of research, innovation, creation and transfer of knowledge to support the students and stakeholders.

In accordance with NISP (National Innovation and Startup Policy), GNIT has undertaken a number of efforts to engage students and faculty in the process of innovation and entrepreneurship. GNIT has several practices like hosting a project exhibition, model display competition, pitching deck, awareness program where students can present their innovative ideas with or without prototype. GNIT has also taken an active role in collaborating with various private and government bodies for the benefit of students and faculty members.

GNIT has established Institution Innovation Council (IIC) under MIC & Entrepreneurship Development Cell (EDC) to support the student and faculties to achieve technology ready and transfer level of research and innovation.GNIT has secured four-star and five-star rating by IIC, Government of India (GoI), for the academic years 2018-2019 and 2019-2020 respectively. Furthermore, 8 Faculty members have undergone the Innovation Ambassador Training in June 2020 conducted by National Innovation and Startup Policy. One faculty member has been nominated for the NISP training and implementation in the Institute.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

Smart Seminar Rooms: 07 (Seating Capacity of 75) Smart Seminar rooms are equipped with Smart interactive board facility, Wi-Fi,

Audio and Video facilities for effective teaching learning process.

Number of ICT enabled classrooms: 37 (Seating Capacity of 60-75 each room) All class room are ICT enabled.

Number of Auditorium: 02 (Seating Capacity of 100 and 300) Auditorium are equipped with LCD Projector with Wi-Fi, Audio and Video facilities

Number of Drawing Halls: 02 (Seating Capacity of 45) Institute has two well eyuipped drawing hall.

Number of Laboratories: 49 All Laboratories are equipped with state of the art facilities.

Number of Language Lab: 2 Institute has two well furnished language labs.

Number of Computer Centre: 1 The central computer center is well-equipped with computing resources to cater to the academic needs of the students. It has 100 computer systems.

Library: College Central Library has a spacious built up area of 660.43 sq.mts, with sitting capacity of 200 members.

Computing equipment: The campusinfrastructure established with high speed leased line internet connection with 500 Mbps fibre optic backbone network supplemented intranet connection and also with Wi-Fi support to cover maximum area.

Centre of Excellence Lab: 02 The institute has two centre of excellence.

4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

The institute has a well-defined IT policy relating to network security and user services. Infrastructure is regularly upgraded to provide IT requirements which include Internet/Wi-Fi /Storage/Security/Smart classroom up to date.

Wireless Network and LAN: (500 MBPS)

All computers in the institute have internet facility through LAN and Wi-Fi. The institute has effectivelyvand periodically upgraded from a handful of Wi-Fi hotspots to a robust and seamless Wi-Fi campus byvregularly reviewing usages and requirements. Currently it has 66 wireless access points.

No of Computers:

The Institute has 810 numbers of working computers. In between this 753 computers are distributed in labvin various department for the students usage. Beside this there are 44 laptops for institutional uses.

Network and Security:

GNIT is secured by a Cyberoam UTM 500 iNG Firewall which acts as the central gateway to its hierarchical layered and structured network managed by Core and distribution switches. Currently the Cyberoam firewall has been upgraded to Sophos Firewall with much advanced features and security enhancements

Surveillance and Communication: The entire campus is covered by over 136 numbers of CCTV cameras which provide 24x7 surveillance

```
with 30 days backup facility.

Server: The institute has state of the art Server Room. The whole
IT infrastructure is being maintained through this Server Room.
There are 9 Servers with the following specification.

Firewall: The institute has a firewall security device that
monitors incoming and outgoing network tracking and permits and
blocks data packets based on security alerts.
```

5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution

The Student Council was established with an aim to provide a representative structure through which students can undertake initiatives for the benefit of the Institute. To incorporate student participation in the wellness and upgradation of the institution in all perspectives, students are encouraged to be part of administrative and academic bodies which thus enable them to be empowered with planning, leadership skills, and accountability, and learn the importance of being a resourceful individual while working in teams. It provides a platform for students to express their ideas, interests, and views on the issues of concern to them and also renders their contribution for the Institution to attain its vision, mission and to be a renowned one in the segment. Beyond their curriculum, students show interest in cultural activities, arts and crafts, sports activities, NSS, NCC and many more.

OBJECTIVES:

- To make students a part of the development of the Institute.
- To enhance communication between students, management, staff and parents.
- To promote an environment conducive to educational and

personal development.

- **To represent the views of the students on matters of general concern to them**

- **To develop their personality, organizational skills through interactive programs with the faculty, administration and society.**
- **To promote the team spirit, social responsibility and value formation.**
- **To create a sense of ownership of the college and its activities among the student population.**

5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

Guru Nanak Institute of Technology has a strong Alumni Association established in the year 2013 that got registered under the West Bengal Societies Registration Act, 1961. Registration Number: 6893 of 2013 – 2014. The information about the Alumni Association is available in the Institute website and the direct webpage link for the Alumni Association is https://gnit.ac.in/alumni-association-of-gnit-committee-2/. The Alumni are also connected with the Institute through the Institute official social media links like Linkedin, Twitter, Instagram and Facebook.

The Alumni Association of GNIT intends to engage and stimulate the GNIT Alumni network. It desires to work with alumni members towards understanding and fulfilling the interests of alumni and ensuring intensive connectivity services and reinforcing the network. It facilitates academic and professional development, support and guidance to the students for enriching and successful career and life.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

The decentralized governance of Guru Nanak Institute of Technology (GNIT) is focused on vision and mission of the institute to inculcate effective leadership.

Nature of Governance: The institution follows decentralized and participative governance. The operational decision-making process follows administrative guidelines, but with necessary flexibility for academicians to achieve desired educational outcomes. The institute has different Statutory Committees and Non-Statutory Committees for taking judicious decisions and to take all the necessary actions. Statutory and Non-Statutory Committees consist of adequate representation of stakeholders and faculty members as per AICTE and UGC guidelines. Two nominated senior faculty members act as members of Board of Governors (BOG). All Head of the Departments and the professors are the members of the Academic council. All the HODs along with some other faculty members are

associated with Internal Quality Assurance Cell (IQAC). All the faculty members in the department are the members of their respective Board of Studies (BOS). Every member of the department's faculty is automatically a member of the Departmental Academic Council (DAC). All the faculty members are involved in mentoring activities, which is monitored by the respective HOD and finally by the head of the institution.

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

The Guru Nanak Institute of Technology (GNIT) has a practice of participative management at all levels of decision making through a decentralized structure. It gives all employees and stakeholders an opportunity to get involved in the important and relevant decision-making processes.

The top management has delegated financial, administrative, and academic authority to the HOI, HODs, faculty members, and administrative personnel. They have planned and implemented both quantitative and qualitative parameters through decentralization and participative management since the institute's foundation. Decentralization and delegation of powers are efficiently achieved with the help and cooperation of different statutory committees like Board of Governors (BOG), Internal Quality Assurance Cell (IQAC), Academic Council (AC), Finance committee and different non-statutory committees such as the Departmental Academic Council (DAC), Anti-Ragging committee, R&D committee, SC/ST committee and so on.

Internal Quality Assurance Cell (IQAC) provides guidance to the Institute to empower students with education and employment opportunities, through different committees. The Registrar, Dean of Academics, Dean R&D, Dean Student Affairs, members of different statutory and non-statutory committees and Non-teaching personnel

`play important role in the day-to-day operations.`

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

`The Perspective or Strategic plan is available in Institute and in linked documents. Strategic and Perspective plans are prepared considering the objectives which are aligned with the Vision and Mission of the Institute. For every five years institute prepares strategic plan for its overall upliftment. Set targets are achieved through the strategic plan which ensures the accountability process comprising of evaluation, review, reporting and, where necessary, re-planning. In two levels (Department, Institution), the plan is developed by the Internal Quality Assurance Cell (IQAC) which are duly approved by Board of Management.`

`The following artifacts are considered in the plans:`

- `Teaching-Learning`
- `Research & Development`
- `Human Resource Development`
- `Curriculum Development`
- `Human Research Management`
- `Library, ICT and Physical Infrastructure`
- `Industry Interaction / Collaboration`
- `Accreditation and Ranking`
- `Outcome of Students`
- `Student Support and Activities`
- `Community Engagement`

`The institute was conferred with autonomy status by UGC and`

Maulana Abul kalam Azad University in the year 2016. The conferment of autonomy helped in revision of syllabus and also in introducing reforms in the examination pattern and assessment. This facilities the institute to frame a syllabus and curriculum towards the outcome based education.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

To give support in decision making processes, Guru Nanak Institute of Technology has well defined organizational hierarchy and structure. To sustain institutional capacity and to enhance educational effectiveness, there is involvement of stakeholders in various Committees.

The main authorities of the institute are the Board of Governors, Academic Council, Planning and Evaluation Committee, and Finance Committee which have different nominees from academia and industries of national repute. The Board of Governors is the principal policy making body in this institute.

In academic matters, the head of the institute is assisted by HODs and course coordinators. The Academic Council takes any final decision regarding any academics related matter. The Principal presides over the Academic Council, which is comprised of eminent academicians and industry representatives.

Apart from that, Guru Nanak Institute of Technology has well defined Promotion Policies, Service Rules, Welfare Schemes, Grievance Redressal Mechanisms, R&D Policy, Green Campus Policy, E- Governance Policy, Seed Money Policy, Institutional Code of Ethics Policy

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

The Institute offers numerous welfare measures for their staff members as described in the Service Rules and in the Research Policy. Various welfare measures are briefly explained below:

- **For Attending National & International Conferences financial support has been provided.**
- **To take Professional Membership from different bodies like IEEE, IE (I), IET, ISTE financial support has been provided.**
- **For presenting the Research Papers in International / National Conferences and pursuing Collaborative Research on Duty Leave is provided to the faculty members.**
- **For appearing in career advancement programs like Course Work / Examination for PhD / Comprehensive Examination for Professional Training & SWAYM Courses, on Duty Leave is**

granted.

- For Professional Training & Development, grant is available
- Annual Appraisal System
- Career Advancement Scheme
- Awards & Recognition for contribution of faculty in the field of research
- Seed money grant for pursuing minor research activities.
- Increments after completion of PhD
- Financial support is provided to the faculty for patents filing
- Sabbatical Leave

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly

The internal and external audit is conducted in Guru Nanak Institute of Technology (GNIT) at a regular interval. GNIT hereby confirms with conviction that both the internal and external audits were conducted from time to time, in due course, and feels extremely proud to declare that no serious financial irregularity was ever reported. Usually internal audit is conducted twice in a year, whereas external audit is conducted once in a year.

Internal audit scrutinizes all the transactions and maintenance of compliance level across the hierarchy. It also checks the accuracy in financial transactions with respect to the accounting standards and commercial laws.

The Institution has appointed External Auditors as per the statutory requirement. The External Auditor organizes audit in accordance with the Generally Accepted Accounting Policies, appropriate Financial Reporting Framework, Statutory Provisions

and regulations, etc. The Auditor performs audit in accordance with the ethics on auditing published by the Institute of Chartered Accountants of India (ICAI). Auditor conduct audit and pulls conclusion on the Financial Statements. Their key function is analysis of the legitimacy of financial data of the company to detect if there are any inconsistencies in the records because of scam, fault or fraud. An external audit also analyses financial statements, such as balance sheets to verify that they offer the entities of finances correctly.

6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Being a Self – Financed Organization, the prime objective of our institute is to proffer the best resources and opportunities to students and faculty members realizing the vision and mission of GNIT. Sources of funds are classified as (i) internal source and (ii) external source.

The main internal source of fund is Tution Fees from students. The other internal resources are Contribution from Trust for Infrastructural Development, Hostel Fees and Interest on Savings Account.

In addition, external source of funds depends on research project grants, sponsorships, training and consultancy and loan from bank.

Utilisation of Resources:

To achieve superlative benefits, all round Development of the institute the emanated resources are utilized on the basis of Systematic Budgetary Control. In different areas, the emanated resources are used. Different areas are as follows:

- Procurement of new laboratory equipments

- Upgradation of old equipments

- Infrastructure development and augmentation

- New laboratory setup,

- Salary of staff

- Purchase of library books, magazine, journals.

- Purchase of consumables for laboratory use

- Maintenance expenses

- Seminars and workshops organization for students and staffs.

- Maintenance for hostel facilities

- Recurring expenditure like electricity, internet, registration and affiliation, security and other running expenses.

- **Stipend given to the students of this institute to pursue higher studies**

- **Scholarships for financially weaker students**

- **For student training and project**

- **E-Government expenses, which include library operations, examination administration, and store and account operations (through ERP)**

- **To facilitate research activity, seed money is provided to the faculty members.**

- **Guest speakers honorarium**

- **For cultural activities, sports and other activities.**

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

IQAC was set up as per the Guidelines of UGC with representation from the necessary stakeholders, with a mission for

institutionalizing the quality assurance strategies and processes to function optimally for excellence in education. It is established to integrate different academic activities with various supportive administrative tasks and to achieve faster actions which impact on quality objective of the institute.

Initiative 1: Digitization of Teaching-Learning Process

The Learning Management System (LMS) is an integral part of the teaching-learning process, and initially discussed in IQAC meetings in the year 2018, and following practices is ensured.

Creating Updated LMS Contents: At the beginning of the semester, course instructors ensure the availability of updated video lectures and study materials in alignment with the lesson plan.

Ensuring Quality and Utilization: To ensure the quality and utilization of the LMS content, feedback and usage reports are collected from students at the end of the semester.

Using LMS as Assessment Tool: Throughout a semester, the course instructors upload assignments and quizzes in the LMS to assess the students.

E-Learning Materials from library: Students can access e-resources like e-books and e-journals from the library.

Other e-resources: All faculty and students can access the e-resources of 'National Digital Library of India' (NDLI)

Examination System: Our institute has a strong online examination management system through which students fill up their examination form. For online answer script checking and result publication, GNIT hascompletely automated Digital Valuation System (DVS).

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

From the quality point of view, Guru Nanak Institute of Technology reviews its teaching learning process, structure, methodologies of operations and learning outcomes, at regular intervals through its IQAC. All the processes, structures and methodologies have been reviewed by IQAC from the quality, student's satisfaction and outcome point of view.

The followings are the two examples of reviews and their implementation on the teaching-learning process facilitated by the IQAC.

i)Review Mechanism of Teaching-Learning Process:

IQAC periodically collects reports from various departments/units holding several discussions with the concerned authorities on various criteria of the Teaching-Learning Process.

The following data/information are checked from each department:

- **Course files containing lesson plans, teaching plans as per Academic Calendar, Time Table, and availability of learning resources.**
- **Syllabus coverage, availability of course materials, total number of conducted classes, attendance reports, course assignments, and the respective student performance reports are collected.**
- **Data regarding slow-learner and advanced learner**
- **Extracurricular events conducted by the departments Students achievements**
- **Data regarding higher studies are collected for each academic year.**
- **CO, PO & PSO attainment are collected and analyzed**

- **Data from Controller Section:**
- **Question paper with CO mapping**
- **Students result**
- **Data from Training & Placement Cell (T & P):**
- **Placement records**
- **Reports on special training programs conducted by T & P cell**
- **Data from Research & Development Cell (R & D)**
- **R & D activities such as publications, patents, funded projects, collaborations, etc.**
- **Alumni Association**
- **Feedback from Alumni on the teaching-learning process**

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender equity prevents violence against women and girls. Societies that value women and men as equal are safer and healthier. GNIT always ensures fairness of treatment for women and men, according to their respective needs. GNIT Women's Grievance Redressal Cell celebrates International Women's Day, celebrates the achievements of women. Our college encourages Self Defense & Fitness Programme for Girls. Our college has already arranged multiple sessions to train faculty members and students to understand better safety strategies to deal with abuse and Secure Safety. GNIT always gives importance to safe guard all women employees of the organization. Our college takes care of all complaints on sexual harassment of women at workplace . The Grievance Cell is responsible for looking into any complaints filed by students & staff about women grievance at college. Some special programs are already organized in the institute by the cell along with other departments.

These includes

I) Discussions on legal issues (laws) related to women's interests

II) Awareness Program on Visakha Guideline

III) Awareness Program on Breast Cancer

IV) International Women's day celebrations

V) Self - Defense workshop for women

VI) Debate competition on women's issues

VII) WGRC Magazine

VIII) Cervical cancer and distribution of sanitary pad

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

Waste management: The Institute implements effective waste management through waste segregation and recycling of the waste.

1. Solid Waste management: Each and every department of GNIT as well as the administrative block create waste and dumped in small waste bin located in the department itself. The wastes are properly stacked in designated place and later disposed through vendors. GNIT discourages uses of in the campus. The biodegradable vegetable peels are collected in a separate bin to convert it to fertilizer to use for gardening.

2. Liquid Waste Management GNIT takes an initiative to reuse this water. The waste water from AC is collected and are used for cleaning, gardening and toilet flushing. The safe disposal of liquid waste takes place from the washrooms to a big sewage pipeline from campus, waste gets collected to the municipal sewage connection.

3. E-waste management:E-waste such as computers and its peripherals are upgraded regularly to continue usage and to avoid its wastage. They are collected and dump in a closed room and handed over to agencies which help recycle these materials. The

electronic components and taking off the old parts make new products and is donating among the poor students of nearby school.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words).

Guru Nanak Institute of Technology (GNIT) provides quality education with holistic development, with programs promoting patriotism, social and environmental awareness, gender equality and human values. Universal and moral values are inculcated in all courses. Bookfairs are arranged yearly by the College library and faculty members donate books. GNIT also participates in the Kolkata International Book Fair. Students participated in "Walk for the book" rally in National Library week of US Consulate General, Kolkata on 12 April, 2016. Intrinsically Bengali cultural events are observed annually, like Poila Baishak, Rabindra Jayanti and Baisheshrabon, Sharodiya Utsav and Bijoya Dasami. National festivals like Holi, Eid, Dipabali are celebrated on campus. On 12th January, Swami Vivekananda's birth anniversary is organized, International Youth Day observed on 12th August and International Yoga Day on 21st June, to sensitize youth. Environmental awareness through tree plantation drives, health awareness through programs on Swachhata, Infectious diseases, Blood donation camps, and social awareness through money and cloth donation to various organisations are arranged yearly. On 26th November, a seminar on the Indian Constitution marks Indian Constitution Day. Workshops on adventure sports highlight the importance of physical activity.Classroom, lab and campus cleanliness drives instil in students a sense of communal responsibility.

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

Welfare activities have always been part of Guru Nanak Institute of Technology's program. The institute believes in imparting holistic learning, inculcating moral and ethical values and has involved itself in manifold activities to promote community development.

Donations : The institute promotes the values of community service. Clothes and sweets are gifted to the inmates of several nearbyold age homes. Students also donated to the Prime Minister's National Relief Fund,distributed masks, hand sanitizers and foodgrains. During the Amphan cyclone, they took part in relief camps in the Sunderbans.

NSSActivities: The 1st Year B. Tech students, under the aegis of the NSS program, gave textbooks, pencils and crayons to 60 underprivileged children of the No 1 Indira Nagar SushanhataSishu Bikash Seba Prakalpa and assisted in buying books for New Delhi slum childrenthrough the Community Library Project (TCLP).

NGOs : The students have also visited the GOONJ warehouse in Kolkata,and donated clothes and other materials for the needy. Working conjoinedly with PRAGATI, the students have participated in donation drives, like blanket distribution among the needy.

Protecting the Environment: Students have also helped in ecological conservation by donating to the WWF, India, taking part in a"SaveWater"campaign and launchinga "Plastic Free Campus" initiative. World Environment Day is regularly observed in June through tree plantation programs.

Cleanliness drives: Students have regularly taken part in cleaning of campus facilitiesand, along with staff participated in "Swachh Bharat Abhiyan".

7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

`1.`

`Beyond Curriculum Training on Value Added Courses`

`Objectives of the Practice:`

- `Imparting technical training in current areas in high demand, enhancing employability and bridging industry-academia gap.`

`The Practice`

- `Multidisciplinary courses in the BCT Basket.`
- `External training providers.`

- `30 hours of training, 6 courses per student. These BCT courses include courses on Programming, Ethical Hacking, Nanoscience, Food Safety Training and expect to bridge the learning gap recruiters face.`

- `More than 244 students enrolled in 19 value added courses run in last 5 years.`

`Problems Encountered:`

- `Infrastructural problems.`
- `Institute aid in financing.`

Resources Required:

- **Multidisciplinary Trainers.**
- **More infrastructural resources.**

2.

Community Development Initiatives

Objectives of the Practice

- **Encouraging student support in aiding the disadvantaged, nature, wildlife.**

The Practice

Some initiatives undertaken by the Institute in welfare and outreach include the following:

- **community service through self-financed NSS Unit, blood donation and relief during Lockdown and Cyclone "Amphan", hand sanitizer prepaparation and Free Vaccination Drive.**

- **Pragati Club , GNIT students' welfare organization, supports the underprivileged, free education and training is provided and support to World Wildlife Fund, India made.**

Problems Encountered:

- **Long distance outreach.**

Resources Required:

- **digital database.**

7.3 - Institutional Distinctiveness
7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

```
Distinctiveness: Holistic Development

The Institute enables holistic multidisciplinary student
development through academic, extra-academic and co-curricular
activities.

a) Employer's Contribution: GNIT promotes a democratic, gender-
sensitized, sustainable digitalized work environment. Women occupy
60% of higher positions. Excellent teaching infrastructure, a
green campus, sports facilities, NSS Unit, student Clubs are
provided. GNIT is involved in Water Management, River Rejuvenation
and has a working Solar Power plant.

b) Students' Contribution: Students are involved in sports,
cultural activities, corporate conclaves and tech fests. Sports,
including yoga, are encouraged for both boys and girls. Students
attend corporate events,participate in Techfests, Smart India
Hackathon, international Film Festivals, Literary Meets etc. GNIT
has emerged as a "plastic-free zone", students have worked as UN
Green Ambassadors and developed innovative prototypes.

c) Social Outreach-

GNIT promotes community development, outreach, NSS Unit
activities, donations to charities, wildlife conservation, elder
and orphan care. PRAGATI is pro-active in helping the needy.
Providing calamity relief, free vaccination during the COVID-19
pandemic were other contributions.

d) Foreign Internships:

In developing cross cultural understanding the students have
benefited from Foreign Internships. A MOU with Asian Institute of
Technology, Bangkok, a visit to Russia and interaction with
visiting professors from France and Greece have increased the
```

international exposure of students.

7.3.2 - Plan of action for the next academic year

Establish a road map to improve industry connectivity and develop professionals that are industry ready.

- **Collaboration with the industry will strengthen connections with it and provide opportunities for student internships. • To improve the online courseware by adding animation and hyperlink web access as part of the students' autonomy curriculum. • Increase departmental research publications in prestigious journals. • Apply for research fund in a bigger level.• To boost student involvement and certification through NPTEL or MOOCs by providing them Hons/Minor degree • To improve the institution's standing at the national and international levels through NIRF, NAAC, etc. • The NBA's renewal of its accreditation of all UG programmes. • To establish an integrated ERP system to link all academic activities.• As part of the "Green Campus Project," we intend to make the surrounding more greener. This will be carried out in conjunction with the neighborhood municipality and NSS unit. • Increase the quantity of patents and innovative performance. • Faculty members will enroll in a large number of Ph.D. programmes in the upcoming academic year and are about to submit their Ph.D. theses. •To open online courses (ODL) in the institution in continuation with the regular courses.**

07-06-2023 11:26:39
